

AAC 25

PRODUCT FACT SHEET

AAC 25

DESIGN BY HEE WELLING & HAY, 2012

The softness and warmth of the upholstered shell modifies the executive weight of the About A Chair AAC 25, bringing a welcoming expression to the otherwise functional and technical genre of office chairs. Retaining the same curved shell with unified silhouette that characterises the entire collection, this design features an elegant and functional swivel four-star castor base. The base comes in polished or powder-coated aluminium, with the shell offered in multiple regular and quilted upholstery options. The multitude of variants and design combinations give this chair great versatility in a wide range of corporate, public, and private contexts.
