

# CAN SOFA 2.0

DESIGN BY RONAN AND ERWAN BOUROULLEC

With the Can sofa, Ronan and Erwan Bouroullec seek to go beyond the creation of a practical, elegant and comfortable design. The intention is to reinvigorate the whole idea of the sofa, from something inherently complicated to something simple, relaxed and accessible. The sofa comes flat-packed and can be easily assembled at home from three basic elements – frame, cover and cushions.

## PRODUCT DETAILS

- / Flat-packed sofa powdercoated- or chromed steel frame, outer canvas cover, mattress and loose cushions.
- / Available as a 1-,2- or 3-seater.
- / Simple and elegant design offering good functionality and comfort.
- / Available in selected fabrics and leather and frame finishes.
- / Suitable for a wide variety of private and public environments.
- / Qualified for contract use.

# HAY

 / Roden / Linara

STANDARD LEATHERS BY CAMO LEATHER\*  
 / Silk

\*Only available in colours selected by HAY.

**CONSTRUCTION**

Steel tube legs and crossbars are assembled to bent sheet metal seat using screws and spring clips. The canvas is added to the steel frame during assembly, tightened and kept in place by plastic profiles and a cotton strap, which are sewn onto the canvas. Cushions with anti-slip material on the backside of the seat are placed inside the steel frame. Requires assembly.

**FRAME FINISH**

**OUTER FABRIC**

**MATTRESS & CUSHIONS**

## DIMENSIONS
