# Task Pendant

The new Task Pendant by Danish designer Gry Holmskov strikes a harmonious, breathtaking balance between function and aesthetics. It's pure, linear form not only catches the eye but also serves a key purpose: to spread light in a way ideal for countless applications, giving rise to new, flexible ways of illuminating diverse spaces. The pendant's light intensity and temperature can be adjusted with an app, making it easier than ever to create the best illumination for the time of day, season, or desired ambience.

Lightweight yet strong in its construction, the Task Pendant emits directed, adaptable downward wide angle light via an elegant LED bulb which can fully illuminate a conference table. It is suspended from nearly invisible fishing wire, creating the illusion of hanging freely in mid-air. Both in its pared-down form and soft, pleasant light, it makes a statement without ever becoming obtrusive. This balance makes the Task Pendant an essential, welcome part of the décor above conference tables, bar areas, lobbies, lounges, counters, and other spaces enhanced by glare-free illumination designed for human movement and interaction.

By installing and using the mobile app, you can control light intensity and color temperature. You can add multiple fixtures into the same system so that you can control one or many lamps with the swipe of a thumb. If the lamp is installed without using the application, it defaults to a medium temperature and intensity for everyday work and life.

Holmskov's minimalist design works beautifully on its own and can be installed in multiples in infinite arrangements, creating continuous rows or sculptural, randomised displays of light. Clustered and installed at various heights and angles, the pendants create a graphic, dynamic setting ideal for hallways, stairwells and other spaces with high ceilings.

## About the Designer

Born and raised on a farm in Denmark's mid-Jutland region, Gry Holmskov has a passion for nature that she channels into her design through both material and form. Holmskov began her creative career studying cabinetmaking to gain insight into craftsmanship, materials, construction, production and tectonics. She then apprenticed with Rud. Rasmussen Snedkerier, one of Denmark's oldest cabinetmaking companies, making furniture designed by Danish greats such as Kaare Klint, Mogens Koch, and Mogens Lassen.

After graduating from the Royal Danish Academy of Fine Arts' School of Architecture, Holmskov founded Studio Gry Holmskov, where she focuses on minimalistic, elegant and functional design that emphasises tactile craftsmanship and detailing. Her furniture designs are classic, simple, and easy to read and use. They are often inspired by nature – and always bear a personal touch. Today, Holmskov divides her time between teaching at the Copenhagen University College of Engineering (DTU) and expanding her architecture, cabinetmaking, illustration and design practice.

## Product Type

Pendant

## Environment

Indoor

## Dimensions (cm / in)

Ø: 2,5 cm / 1"

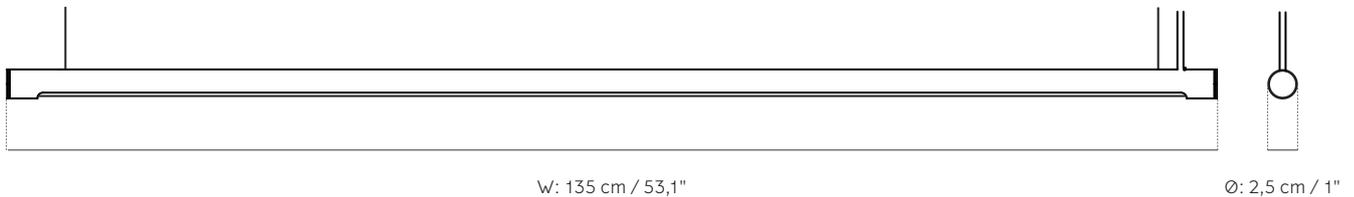

W: 135 cm / 53,1"

## Colours

Bronze Grey

# Task Pendant

## Technical Specifications

### Production Process

Extruded Aluminum

### Weight item (kg)

1 kg

### Classification

CE and IP20

### Materials

Anodized Aluminum, LED, PCB, PC

### Voltage (V)

230 V

### Certifications

LVD: EN60598-2-1:1989; EN60598-1:2015+ A1:2018; EN62471:2008; EN62493:2015; EN62031:2008+A1:2013+A2:2015  
EMC: EN60598-2-1:1989; EN60598-1:2015+ A1:2018; EN62471:2008; EN62493:2015; EN62031:2008+A1:2013+A2:2015

### Light Source & Energy Efficiency Class

LED(Included) 24 Watt, A

### Light Specification

1300 lumen  
2700 - 4000 Kelvin (Standard 2700 Kelvin)  
Ra > 90

### Packaging Type

Giftbox

### Dimmer

Yes, with MENU Lighting App (iOS and Android).

### Packaging Measurement (H \* W \* D)

15 cm \* 139,5 cm \* 11 cm

### Canopy

Yes, Aluminum, Bronze  
Ø: 12 cm / 4,7" \* H: 4 cm / 1,6"

### Care Instructions

Use a soft dry cloth to clean. Do not use any cleaners with chemicals or harsh abrasives. Avoid using water.

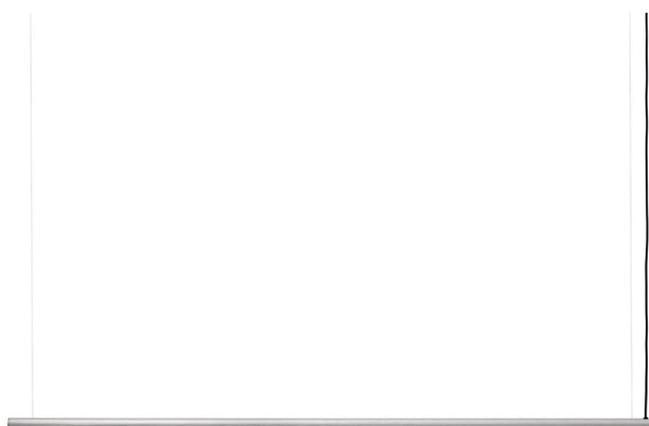

### Cord Material and Colour

PVC, Black

### Cord Length (cm / in)

500 cm / 197"

# Task Pendant

Bronze Grey
