

A photograph of a minimalist wooden furniture set. In the foreground, a long, low wooden bench with three legs is visible. Behind it, a matching wooden table with three legs holds a stack of seven books. The books have various colored covers: orange, blue, yellow, white, red, and grey. The furniture is set against a light grey wall with a white baseboard. The floor is made of dark grey wooden planks.

TRIANGLE LEG COLLECTION

Motivated by the desire to create more space around a circular table, Simon Jones designed the Triangle Leg table and bench series. The ends of the rectangular tabletop have been rounded, creating a sociable setting that maximises seating numbers around the table yet keeping the shape compact. The triangular leg section creates the illusion of lightness and provides optimal compatibility with both square and round chair legs. Crafted in solid oak with an oiled or clear lacquer finish, this versatile table is suitable for a wide range of private and public dining or office environments.

SIMON JONES

Simon Jones Studio is a multi-disciplinary London-based design practice founded in 2010 by Simon Jones and Jack Neville. Simon studied Architecture at the University of North London, while Jack graduated from Kingston University with a BA in Furniture and Product Design.

Together they primarily work on architectural projects, exhibition design and furniture production, using skilled design practice with a particular focus on materials and detail.

The design pair collaborate with many of the UK's leading arts organisations and galleries, including the Institute of Contemporary Arts, Liverpool Biennial, Karsten Schubert Gallery, Somerset House and the Victoria and Albert Museum.

Simon Jones Studio has designed the Triangle Leg Table and Triangle Leg Bench series for HAY.

TRIANGLE LEG BENCH

PRODUCT FACT SHEET

TRIANGLE LEG BENCH

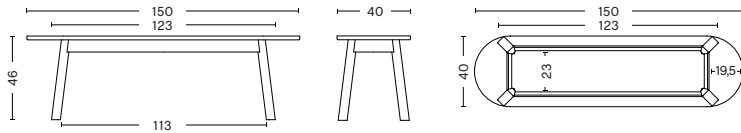

DESIGN BY SIMON JONES, 2017

Motivated by the desire to create more space around a circular table, Simon Jones designed the Triangle leg table and bench series. The ends of the rectangular bench have been rounded to match the table's organic shape, which was designed to maximise seating and create a sociable setting. The triangular leg section creates the illusion of lightness and enables it to be used alone or together with square- or roundlegged chairs. Crafted in solid oak with an oiled or water-based lacquer finish, this versatile bench is suitable for a wide range of private and public dining or office environments.

HIGHLIGHTS

- Multi-functional family of tables and benches in different shapes, sizes and finishes.
- Crafted in solid oak with an oiled or water-based lacquer finish.
- FSC™-certified and EU-Ecolabelled.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.
